

FOR PARTICIPANTS

Consultation Request Form

Know which tool(s) you want after attending a Rain Check workshop? Use this form to request a consultation visit with a contractor.

- ▶ Please submit this form along with your signed waiver to RainCheck@pennhort.org only after attending a Rain Check workshop.
- ▶ Please also submit your \$25 consultation fee by following the instructions below. If you pay online, you do not need to submit the paper copy of this form.

Not sure which tool is right for your property after attending a workshop?

- ▶ Please visit the Place Order page at www.pwdraincheck.org for instructions on how to complete a Whole House Assessment Request Form instead of this form.

Fees

To have a consultation, you must first submit a consultation fee of \$25. The consultation fee is non-refundable, however if you choose to proceed with the installation, the \$25 will be credited toward the final cost of the project.

All program fees can be paid online at <https://phsonline.org/programs/rain-check/cost-share-payment>. If you wish to pay by check or money order, it should be made out to 'PHS' and mailed to:

PHS, Attn: Rain Check
100 N. 20th St – 5th floor
Philadelphia, PA 19103-1495

What happens next?

Before having your selected stormwater tool installed, you must first have one of our preapproved contractors visit your home for a consultation. At this point you can confirm the precise scope of work (ex. surface area, follow-up treatment, size of planter, etc.)

After PWD approval for your selected project, your project will either be assigned to the appropriate contractor or you will be added to a waiting list (depending on the season and demand). You can email RainCheck@pennhort.org for a status update on your project at any time.

For more information, frequently asked questions and price points, go to www.pwdraincheck.org

A Philadelphia Water Department program.
